ESSENTIAL STAFFCARE INTEGRATION

In an ever-changing industry, retaining good employees while remaining compliant is more challenging than ever. Did you know that offering health benefits could increase worker retention by 47%? With Essential StaffCARE (ESC) insurance solutions, you can enroll employees directly through Avionté, leveraging the software and onboarding process you already use for easy enrollment management.

STREAMLINED INTEGRATION FOR A SEAMLESS TALENT EXPERIENCE

With Avionté and ESC, the talent experience is seamless, providing a one-stop shop for them to complete Talent Tasks, including enrolling for health benefits. With a confirmation pop-up, talent will know they are moving from Avionté's Talent Module to complete benefit enrollment with ESC.

SIMPLIFY ENROLLMENT LOGISTICS

With the Avionté and ESC integration, you have an uncomplicated process for payroll and overall benefits management. The ESC integration makes payroll deductions a simple process.

NO LOST PAPERWORK, NO MISSING SIGNATURES

With a completely electronic, mobile-friendly benefits enrollment process, you don't need to worry about paperwork or missing signatures. Everything is captured for you in an effortless onboarding process and flows into Avionté so you have what you need for benefits enrollment management.

At Avionté, we focus on providing solutions that increase the efficiency of your staffing firm, improve the quality of the talent you provide and streamline the entire recruitment process. To learn more about the benefits of using Avionté Software for your staffing agency, contact us today.
